This schedule will be in effect February 1st – February 28th

All classes must be registered for prior to participation. Academy tuition is \$75.00 per month, which includes unlimited tumbling. Tuition payment is due at the beginning of each month. All athletes tumbling skills will be evaluated when starting at the Twisters Tumbling Academy. After the evaluation, the athlete will then be designated to the appropriate tumbling skill level. Athletes will be allowed attend classes at the evaluated skill level, and only at that level. Once all of the defined tumbling skills for the skill level have been achieved, the athlete will then be allowed to register for the next level of classes. All classes include 10 minutes of stretch, standing and running tumble instruction, and conditioning. Tuition In order for our students to receive the proper training, it's very important that they are registered for the appropriate class and level. Students will receive the individual attention and instruction they need to be able to progress at their maximum personal rate when they stay within their level. Registering outside of your level could result in slower progression. It is mandatory that students arrive promptly at the start of class, to ensure proper stretching and warm-up for class. Anyone arriving more than 10 minutes late to class will not be allowed to participate. This is a safety issue, tumbling without proper stretch and warm-up could result in injury.
